- A) states to earn block grants from the federal government.
 - B) Britain to borrow military equipment from the U.S.
 - C) the U.S. to sell military supplies to the Axis Powers.
 - D) minorities to receive equal treatment in New Deal programs.
8. America First was known for its
- A) support of FDR's lend-lease program.
 - B) fundraising on behalf of Democratic candidates.
 - C) belief that the U.S. should defend its own borders and not its European allies.
 - D) contention that the U.S. was letting down democracy by not fighting fascism.
9. What was the name of the US destroyer that clashed with a German submarine and prompted Roosevelt to institute a 'shoot on sight' policy?
- A) Ruben James
 - B) Greer
 - C) Kearny
 - D) Arizona
10. The Atlantic Charter of 1941
- A) created further distance between the U.S. and European involvement.
 - B) provided a political framework for the possibility of American involvement.
 - C) did not express American opposition to territorial change by conquest.
 - D) emphasized the defeat of imperial Japan as the first priority.
11. In the months leading up to Pearl Harbor,
- A) relations between the U.S. and Japan appeared to be getting better.
 - B) Germany withdrew its troops from the Soviet Union.
 - C) FDR froze Japanese assets and increased U.S. naval presence in the Pacific.
 - D) Japan signed a non-aggression pact with China.
12. All of the following statements about Pearl Harbor are true EXCEPT
- A) Japanese/American disputes over oil and rubber made confrontation seem imminent.
 - B) FDR had already assumed a firm but defensive policy in the Pacific.
 - C) the U.S. had begun to crack Japanese codes, but anticipated an attack in Asia.
 - D) Hitler and Mussolini didn't declare war against the U.S. until year after Pearl Harbor.
13. Which statement about Pearl Harbor is true?
- A) Over 2,000 Americans were killed in the surprise Japanese attack.
 - B) Japan destroyed all of the oil storage tanks at Pearl Harbor.
 - C) The attack left the U.S. with no naval carriers in the Pacific.
 - D) Even after the attack, many Congressmen voted against a declaration of war.

14. A turning point on the Eastern Front came when
- A) the Americans defeated the Japanese navy at the Battle of Midway.
 - B) Allied forces defeated the Germans at El Almein.
 - C) the Soviet Union forced a German surrender after the Battle of Stalingrad.
 - D) FDR sent two million troops to the aid of the battered Soviet Union.
15. A turning point in the Battle of the Atlantic came when
- A) German manufacturers surprisingly stopped producing U-boats.
 - B) the Soviet Union sent naval reinforcements.
 - C) Admiral Yamomoto realized his forces were outnumbered.
 - D) new sonar systems improved tracking of German U-boats.
16. The Allies stopped the German and Italian advance toward the Suez Canal
- A) with a decisive victory at the Battle of El Almein.
 - B) despite the fact that the Allies were outnumbered two to one.
 - C) when Field Marshal Erwin Rommel surrendered after very little fighting.
 - D) as a result of the Germans' defeat at the Battle of Stalingrad.
17. America aimed to curb Japan's military aggression by restricting all of the following EXCEPT
- A) imports of steel.
 - B) imports of ore.
 - C) imports of aluminum.
 - D) imports of munitions.
18. The Allies consisted of:
- A) Germany, Japan, Italy.
 - B) U.S., China, Germany.
 - C) Germany, Italy, China.
 - D) U.S., Britain, the Soviet Union.
19. The first check to Japanese expansion came at the Battle of the Coral Sea when
- A) U.S. aircraft carriers halted a Japanese advance toward Australia.
 - B) British reinforcements relieved a battered U.S. navy.
 - C) the Japanese were forced to surrender the island fortress of Corregidor.
 - D) the alliance of the Axis Powers dissolved.

 - D) Allied forces invaded Normandy.

Where?

Matching

Match the following figures of World War II with the appropriate country.

Adolf Hitler	France
Benito Mussolini	Germany
Francisco Franco	Italy
Neville Chamberlain	Spain
England	

How and Why?

1. What actions illustrate Japanese, German, and Italian aggression in the 1930s?
2. In what ways was FDR preparing for war before the invasion of Pearl Harbor?
3. What evidence reveals the vital role that American manufacturing played in the victory of the Allies?
4. Describe American policy regarding the war in the period 1935 to December 7-8, 1941.
5. How did American unity provide a foundation for success in World War II? Describe examples of Americans on the homefront which illustrate the importance of that unity.

6. What factors combined to produce the defeat of Germany? Be sure to explain the roles of the Soviet Union, the bombing campaigns, and the D-Day invasion in the victory of the Allies.

7. Respond to the following statement: "American entry into World War II emerged as a vital factor in the defeat of the Axis Powers."

8. What evidence reveals the brutal nature of the war in the Pacific? What factors contributed to President Truman's decision to drop the atomic bomb? Of those factors, which one do you think was most influential in his mind?

9. Analyze the wartime experiences of three of the following groups: women, African-Americans, Mexican-Americans and Japanese-Americans, and Native Americans. Did these experiences help or hinder progress toward equality in America?

10. Based on your reading of this chapter, do you believe that FDR wanted an excuse for war or not? Cite specific examples in your response.
